

Memorandum of Understanding

Whereas, Utica University intends to use technology which includes the Duo mobile app to enable Multi-Factor Authentication (MFA) to access certain university-operated computer systems, and

Whereas, Duo mobile app must be installed on a smart phone or tablet, and

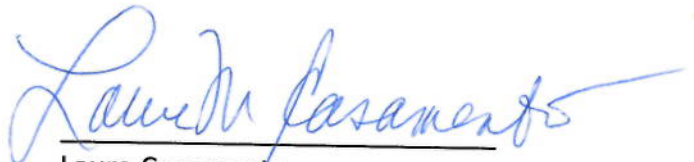

Whereas, AAUP-UC agrees that MFA is acceptable, in principle, as a security measure, and

Whereas, AAUP-UC does not agree to mandatory installation of the Duo app on personally owned devices,

Therefore, members of the AAUP-UC bargaining unit who choose not to install the Duo app on their personal devices will be issued a Utica University iPad, capable of running the Duo app, by Utica University.
